

## AMERICAN FLAG REDESIGN PROJECT CRITERIA

The American flag stands for all in America that is good.

The blue is for freedom.

The red is for the blood shed in bravery to sustain the country.

The white is for independence.

The stars represent the 50 states.

The stripes represent the 13 colonies.

Your assignment is to redesign the American flag. Remember – a flag celebrates all that is good. Your flag should represent you design style and your appreciation/understanding of American heritage, the ideals of today’s United States, and the diverse people who make up our nation. All traditional colors/symbols may be considered in your interpretation.
