CHARACTER DESIGN INSTRUCTIONS

Your character is:

- Human
- A middle school student
- With a special, secret super power
- Your original concept and design—NO COPYING!

You will create 4 sketches in Photoshop as follows:

1. Your character's face in full face view
2. Your character's face in profile
3. Your character's face with his/her power in full face view
4. Your character's face with his/her power in profile

Character Design Tips

1. SIMPLIFY – include the most important details
2. EXAGGERATE – emphasis a facial or bodily feature by increasing or decreasing its scale
3. DISTORT – bend, twist or fold hair, facial features or body
