PRACTICE SCREENPLAY

INT. CLASSROOM - MORNING

The teacher stands by a projector, presenting a lesson in a computer lab. Most of the students look bored.

TEACHER

Good morning, ladies and gentlemen.
Let's continue yesterday's lesson.

SHANNON

This is soooo boring!

REECE

Yeah, and he's soooo old!

A loud, thumping sound is heard from outside the classroom.

GRACE

What the heck!

DANIEL

I'm sure it's nothing.

TEACHER

What were we doing? Oh, yes.
Screenplay.

The sound gets louder and closer.

SHANNON

What was that?

REECE

Why don't you check it out?

TEACHER

Let me see what's going on out
there.

The teacher leaves the room.

INT. HALLWAY - MORNING

The teacher steps into the hallway. He looks around and suddenly freezes. A trail of horrible, bubbling green slime lines the floor.

(CONTINUED)

TEACHER

What the...?

The teacher kneels down, looks at the slime for a moment, then dips his finger in it. He raises his finger to his nose and sniffs.

TEACHER

Hmmm. Definitely not chicken.

He moves his finger to his mouth and tastes it.

TEACHER

Not sure. Bouquet of oak, overtones
of eye of newt...

INT. CLASSROOM - MORNING

The students have gone crazy. One boy stands on a chair, wearing his underwear on his head. Two girls text and giggle. Two boys arm wrestle. Several students are busy playing Fortnite. A girl points a Minecraft sword to the heavens and screams.

The teacher stumbles into this scene of chaos.

TEACHER

Good afternoon, ladies and
gentlemen. Where were we?

The teacher looks down at his hand. It has become a hideous green claw.

TEACHER

I don't feel so well.

He collapses to the floor.

GRACE

OMG! Somebody help!

DANIEL

Check his pockets! Maybe he's got
some cash!
